SC Capital Partners has advised People’s Care in conjunction with an agreement with Community Bank for a specialized funding package that provides them with the necessary working capital to grow the business and acquire additional facilities.

People’s Care works with the physically disabled to provide necessary and professional support. They create unique support plans with each person’s best interests in mind. Whether in one’s home or out in the community, in an adult day program, assisted living facility or residential care facility, the program offers a loving and compassionate environment. People’s Care also respects the cultural uniqueness of all individuals in its programs, helping them maintain their cultural and/or religious heritage. CEO Mike Kaiser founded People’s Care based on the philosophy of “Personal Choice, Community Involvement and Dignity.”
